MASJID WARITHUDDEN MOHAMMED & MERCY CC / MASJID AL QUR'AN

As Salaamu Alaikum

We are excited to invite you to become a valued sponsor of the upcoming **American As Bean Pie Festival**, a dynamic cultural celebration honoring the rich legacy of the Original Bean Pie and the cultural contributions of Muslim African American communities.

This unique event will take place over a weekend filled with celebration, education, and community connection. In addition to commemorating the **15-year anniversary of the re-opening of Masjid Warithuddeen Mohammed**, the festival will highlight the history of our community with engaging presentations, musical performances, comedy, spoken word, and activities for all ages. A special feature of the weekend is the **"A Second Helping Bean Pie Competition,"** where talented bakers will compete for a **\$2,000 grand prize**.

The weekend will also include **Purposeful Pairing**, a social gathering designed to foster meaningful connections within our community.

The American As Bean Pie Festival is more than just a celebration of food—it is a tribute to identity, culture, and history. Your support will help make this weekend an unforgettable and enriching experience for attendees of all backgrounds and ages.

We invite you to join us by selecting one of our sponsorship levels, each offering excellent exposure and community goodwill. Your partnership will not only help bring this celebration to life but also demonstrate your commitment to cultural diversity, empowerment, and heritage.

Please consider supporting us in making this festival a success by selecting one of the sponsorship levels listed in this letter.

Thank you for your consideration, and we look forward to the opportunity to partner with you.
